

## 2022 Tour Divide Update

It is with great pride that we advise that Gord and his biking partner Brad have ended their adventure – Tour Divide 2022.

Although we don't have any details, we know they are both well and felt the time was right to end their amazing feat on a high note. They travelled an astonishing 3000 KM in 22 days, averaging a daily total of 136 KM.

In the coming days and weeks, we will provide more details. We all look forward to the stories that he will share.
